How to Sign out of Windows 10

The easiest and most preferred method for logging out of Windows 10 is to press the Ctrl, Alt and Delete keys at the same time and select Sign out from the menu.

Alternatively, users can also sign out using the following method:

1. Begin by clicking the Windows icon in the lower left-hand corner of your taskbar.

2. Next, navigate to the user icon located above the Windows icon you just clicked. Right-click the user icon.
3. From there, simply select Sign out from the pop-up Window.
