Online Training

The web team is offering weekly online training on a trial basis this Spring semester.

The training will take place weekly on Wednesdays at 11am. It consists of 30 minutes of training on specific topics (see below) and will be conducted using Zoom online software.

When you use the sign up form, we'll send you the link to join the meeting with Zoom.

A note on the levels

Foundational

Suitable for beginners or content editors looking for a refresher.

Beyond the Basics

Still within the beginner's realm, these tips and tricks will help you take your site to the next level.

Intermediate

For content editors who feel confident with the basics of working with their site and are looking to do more.

Advanced

Special topics for confident content editors.

Other training

As a reminder, we have a wealth of self-help documents in our Knowledge Base under Drupal Support.
