Logging into Google Analytics

Need Data Access?
Do you have access to Google Analytics Franklin College Departmental Data? If not please request access to your data.

Go to [http://analytics.google.com](http://analytics.google.com) and login with your google or gmail account

After logging in, you should see your Google Analytics Dashboard. It should look something like this. You may be automatically dumped into the data set you are expecting, but if you access to multiple data sets, you will need to locate the correct data set by clicking on the Data selector at the top. See below
