Online Training

The web team offers weekly online training on **Wednesdays at 11:15am**. Each 30 minute session focuses on one or two small tasks and will be conducted using Zoom online software.

We recommend signing in a few minutes early to ensure your computer configurations are correct before the training begins. The url is: [https://zoom.us/j/561368604](https://zoom.us/j/561368604)

Below are the topics for the current semester. **Updated September 27, 2019.**

### In-Person Training

The web team offers in-person training a few times a year in Gilbert Hall. Sessions are up to 2 hours and include time to practice and/or ask questions. Users are welcome to bring a personal laptop, but if we are in a computer lab, computers will be available.

Please use the Sign Up Forms so we know you expect to attend.
A note on the levels

**Beginner**

Suitable for beginners or content editors looking for a refresher.

**Intermediate**

For content editors who feel confident with the basics of working with their site and are looking to do more.

**Advanced**

Special topics for confident content editors.

**Other training**

As a reminder, we have a wealth of self-help documents in our Knowledge Base under [Drupal Support](https://example.com).
