Online Training

The web team offers weekly online training on Wednesdays at 11:15am. Each 30 minute session focuses on one or two small tasks and will be conducted using Zoom online software.

We recommend signing in a few minutes early to ensure your computer configurations are correct before the training begins. The url is: https://zoom.us/j/561368604

Below are the topics for the current semester. Updated November 15, 2019.

In-Person Training

The web team offers in-person training a few times a year in Gilbert Hall. Sessions are up to 2 hours and include time to practice and/or ask questions. Users are welcome to bring a personal laptop, but if we are in a computer lab, computers will be available.

Please use the Sign Up Forms so we know you expect to attend.
### December 5, 2019; 2-4pm (Reading Day)

**Basic Website Training for Beginners**

Overview on working with your website, including logging in, adding images, links, files, working with the slideshow, and web accessibility.

**Level**: Beginner
**Location**: Gilbert Hall, 113 (computer lab)
**Sign up**: Please use Training and Development's Professional Education Portal to register. Search for the class title.

### December 16, 2019; 2-4pm

**Basic Photoshop Training**

Sometimes Drupal's cropping capabilities aren't enough. Learn how to use Adobe Photoshop to take your site's visuals to the next level. No previous Photoshop experience required. Please bring a laptop with Adobe Photoshop installed. If you need help getting Photoshop installed, you may create a ticket with the Helpdesk before the training date.

**Level**: Beginner/Intermediate
**Location**: Gilbert Hall, 122 (conference room, please bring a laptop with Adobe Photoshop installed. See "details" column.)
**Sign up**: Please use Training and Development's Professional Education Portal to register. Search for the class title. We are limited to 10 people.

### A note on the levels

**Beginner**

Suitable for beginners or content editors looking for a refresher.

**Intermediate**

For content editors who feel confident with the basics of working with their site and are looking to do more.

**Advanced**

Special topics for confident content editors.

### Other training

As a reminder, we have a wealth of self-help documents in our Knowledge Base under Drupal Support.
