Log Into the Zoom Desktop Client

Use the following steps to log into the Zoom Desktop Client with your MyID and password.

1. Open the Zoom desktop client
2. Click “Sign In” then “Sign in with SSO”
3. Type “uga” in the field on the next screen
4. Your web browser will open with the familiar UGA SSO Authentication login screen. Type your MyID and password to log in.
5. Select “Zoom Meetings.” If available, check the box beside “Remember my choice for zoommtg links.” Click “Open Link” and the Zoom desktop client will open.
