Welcome to your Drupal 8 Web site

Article — Allows you to post Departmental News
Basic Page — Allows you to post mostly static information that changes infrequently (i.e., NOT news, events, directory listings, etc)
Courses — Allows you to provide basic information about courses
Event — Allows you to post upcoming departmental events based on dates
Lab — Allows you to post information about Research Labs in your department.
Personnel — Allows you to provide contact information, biography, CV, research, publications, etc for a Faculty & Staff directory
Research Area — Allows you to list the different types of research being done in the department.
Slide — Allows you to load large dynamic images as "sliders" in your homepage
