Fill in the details for your article.

**Create Article**

- **Title**: Test Article
- **Image**: 
- **Alternative text**: Short description of the image used by screen readers and displayed when the image is not loaded. This is important for accessibility.

Step 2: Add Research Area(s)

Start typing in the Research Areas box and it will show you options to choose. You can click on ‘Add another item’ to add as many as you need.

**Research Areas**

- Environmental/Atmospheric Chemistry

Click on ‘Save’

Step 3: View Research Areas

Click on the link under ‘Research Areas’ if you'd like to view all of the articles in that particular research area.

**Test Article**

Thursday, September 14, 2023 - 9:10am

This is where you add content.

**Research Areas**

- Environmental/Atmospheric Chemistry

Step 4: View Related Articles
This will appear on the research area(s) you have selected
