Step 3: Add Research Area(s)

Start typing in the Research Areas box and it will show you options to choose. You can click on 'Add another item' to add as many as you need.

Step 4: View Research Areas

Click on the link below Research Areas to view events by a particular research area.
Step 5: View Related Events

The related events will now display on the research area(s) you have selected.

**RELATED EVENTS**

Test Event

Thursday, September 12, 2008 – 10:30am
Chemistry Building, Room B20

Adding Related Articles:

Here are instructions on how to add Related Articles to your research pages.
