Print Management

- Benefits of Service
- Requesting Use and Support
- Current Rates for Service
- Additional Documents and Information for Service
  - Need Help?
- Client Responsibility
- OIT Responsibility

Franklin OIT provides print management services for networked printers. This includes print queue management and availability.

Benefits of Service
- Central access control management for networked printers and copiers
- Mass deployment of devices

Requesting Use and Support
Franklin College faculty and staff can request support for managed printers or request that printers be added to print management by contacting the helpdesk at:
- Submit a ticket
- Email the helpdesk
- Call 706-542-9900

Current Rates for Service
This service is available at no charge to Franklin College faculty, staff, and graduate students for use with state-owned equipment.

Additional Documents and Information for Service
